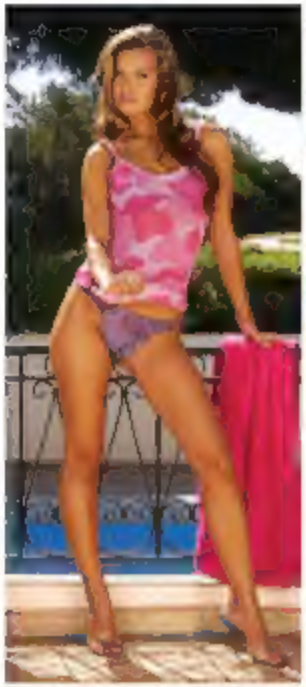
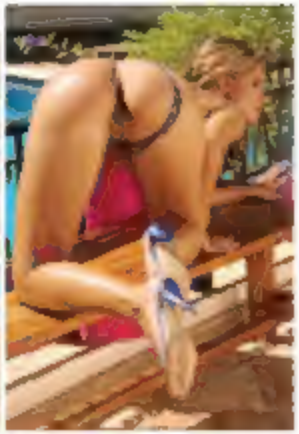
butt plugger





Susie is a happy girl. Not only did she celebrate a birthday recently, but her birthday wish came true—she got the pretty pink dildo she always wanted. It's the perfect gift for any girl, and Susie will make good use of it. She'll suck it, ram it up her tight twat, and share it with her girlfriends when they come over for a visit. But she's most excited about using her new toy as a butt plug. She's never had anything, not even a finger, go in there because she's so tight. But with lots of practice and lube, she'll be able to shove anything up there. That's it, sweetie, shove it in there real deep. It feels better the more you do it. We're and experts here at CHERI, Susie. When you're ready to take the real thing up your ass, just give us a call. We're your Tushy Teachers! ♦

LETS PLAY TWISTER

Dear CHERI,

I have to wear a suit and tie for my job. But the women I meet in upscale social circles just don't do it for me. What really turns me on are more down-and-dirty, earthy kind of broads. Women who lack any of the hang-ups that make so many more "refined" girls a goddamn drag in bed. Blue-collar women? How about no collar? How about no clothes, no inhibitions, no morals? Call me downwardly mobile, tell me I'm just a city-slicker gone slummin' and I'll try real hard to remember that when I'm blowing my load across some slut's face. After all, a man's gotta follow his own crotch: If my genitals would be happier with society dames, then I guess I'd have to go pork society dames instead. (I always leave important decisions up to my dick, don't you?)

My favorite experiment in cross-class banking began with this redhead (dark roots) I met on a business trip. She's a cocktail waitress that tells dirty jokes with the best of the boys. But with this one particular hick chick, sex became even more of an adventure than I ever anticipated. First off, this one really liked to fuck. Second, the circumstances of one encounter were, well, they were meteorological!

When I get the urge for mat down-n-dirty rutting, I'm willing to cross the tracks to satisfy my urge. Which, in this town, really does mean crossing over to the other side of the tracks to the side with the bail bonds office and the "mobile-home community." You know, one of those, um, economical subdivisions where "lawn ornament" means a '62 Mercury Montclair on blocks. I always thought "tornado bait" was a hilarious name for this particular brand of rural resident—or least I did until I tried to get my rocks off in a trailer park during a tornado.

Who she was doesn't much matter. Everybody called her DeeDee or CeeCee or something. Big hair, good body, great thighs. Thirty years old, plus or minus a couple of wrinkles. Sexually speaking, she was what you might call a semi-pro. Not a hooker exactly; just one of those potty-prone bitches who aren't averse to finding a few tens or twenties on the dresser when they finally regain consciousness. I have to admit she wasn't exactly a looker, either. But she's the kind who becomes a regular crank-turner when you get your beer goggles on. You'd do her. Yes you would.

I was buying her drinks just as she was going off-duty. I sat there sipping, daydreaming about what it might be like to fuck her ass. She was yapping away about some stupid shit or other, when she suddenly grabbed my thigh under the table. I tuned back into reality just in time to catch her lips saying something about "gettin' back to my place." CeeCee (or was it DeeDee?), being the less-drunk of the two of us, drove us to her home-sweet-trailer. We proceeded to get drunk and naked on the trailer's cramped, scaled-down sofa. Somewhere between the last of the wine coolers and the last of the bourbon-and-Sevens, the wind started kicking up.

Before long, the wind started coming up something

I was plunging my purple sausage ever deeper into DeeDee's less-than discriminating pussy.

fierce. Gale-force gusts rattling the big tin can she lived in like some gigantic who begging for change. This added an element of desperation to the session that we both instinctively picked up on. We turned that desperation into sexual heat as an eight-story black vortex of apocalyptic destruction bore down upon our bare white asses, right there on God's little acre.

The cyclone whirled past the tin, as the (rattled) beast-with-two-backs inside fucked faster with fury, into an eye-of-destruction orgy of copulation. I was plunging my purple sausage ever deeper into DeeDee's less-than-discriminating pussy. My fingers clenched around this ho's No. 2 pencil-eraser nipples as Fate raged over my head and our my defended stuff at the same time. I tell you what, there's nothing like knowing this orgasm could be your last to drive up the old excitement level. I always wanted to die in bed—just not for another 40 or [illegible].

DeeDee (yeah, I'm sure that's it) screamed her fool head off throughout, of course. By the time the disaster-relief people finally found the two of us, I'd fucked my cock red and raw, and my balls were wet and truly drained. So out in that trailer park, I finally found the elemental [illegible] always gone looking for when my upwardly-mobile, self-hating life starts to seem too sanitized. And I'd even lived to tell about it.

Okay, maybe not everything in this letter is 100% [illegible]. But I did not [illegible] this one time. It was mighty windy that day, too.

STRANGE FUCK

Dear CHERI,

Like most guys, I've always wanted in on a threesome. One guy (that would be me) and two girls, not the other way around. After seeing so many ménages in porn mags and videos, I decided I couldn't die a happy man unless I had one of my own. In my dirty little mind, I'd been thinking for months (okay, decades) of how to bring up the subject of having another chick in my bed along with my girlfriend, Kelli. But how do I make her see the possibility as exciting rather than intimidating in a way that'd make her say yes. Seems the subject had also been gnawing on her brain (and lower parts) for a while and she was finally ready to go through with it.

We agreed it'd be better if the third corner of our triangle was somebody neither of us knew. So we set out for the singles bars, for one of our evenings of flirting with the clientele, except this time we wouldn't stop at just flirting. I spotted a knockout blonde with wild curves and not a lot of clothes, and sent Kelli over to strike up a conversation with her. Picking up Bea was easier for Kelli and me as a couple than it would've been for me as a single guy; Kelli's a foxy redhead, so it's not surprising

the first pretty girl we approached in the bar would look us over a little than, with no further hesitation, say "Sure, why not?"

Our new partner gladly came home with us and wasted absolutely no time getting down to business in our bedroom. The three of us barely got through the front door of my place before her clothes started coming off. Bea went for Kelli first, kissing her all over and exploring her with her tongue, while stripping her down to her underwear. For the moment, I was happy to just take in the floor-show for a spell. Their same-sex festivities quickly progressed to mutual tit-play, nipple-nibbling, clit-diddling, fun stuff like that. Then, suddenly and passionately, our plaything went down on Kelli. This bitch was lapping up those cunt juices like nectar. I sat back to enjoy this double-dong doing double-duty hot girl-girl action live in my own home!

As Bea was bending her face down toward Kelli's orange bush for more tongue-wrestling, I took the time to appreciate Bea's expertise in the lesbonic arts.

"So Bea," I said, my cock now reaching maximum hardness, "looks like you've done this sort of thing before."

She smiled back. "How'd you know?"

"A person can tell these things," I replied.

"Well, not exactly like this," Bea amended. "I mean, I've done girls before."

"Obviously," I smiled. She was working that pussy like a high-class hooker.

"But my only threesomes have been with me and two guys. Me and a guy and a girl, so this is new to me."

"Hmm," I said. "I find lesbians so much more entertaining, don't you?" Again our guest smiled. This

little conversation seemed to put her more at ease with me—good thing, cuz I was going have to penetrate somebody real soon. I sorely wanted to nail both those pretty pussies, pronto. As entertaining as my little lipstick lesbians undeniably were, by this point I was more than provoked enough that I needed to shift from observer to participant.

When you've got in your bed not just two broads, but two awesome broads, it's hard to know where to put your dick first. I pulled Elsa off Kell and inserted myself in her. She didn't object. If anything, it jump-started her heterosexuality. I was already pretty worked up, so I got right on this case, sticking my cock in all the way and going for those long strokes. No slow build-up, just massive pumping from the get-go.

I pulled out and fire-hosed jism all over Elsa's lips and face...I watched it dribble in slo-mo, from her chin down onto her gorgeous C-cups.

Watching with increasing horniness on the sidelines, Kell took Elsa's hand and drew it toward her ownmeatly-trimmed pussy. Elsa fingered my girlfriend's juicy vulva while she was getting good-n-poked by yours truly. Thankfully, this manual stimulation kept the old lady quiet, allowing me to concentrate on gettin' some pussy.

When I got off Elsa and began to mount Kell, Elsa reached over to ease me in, helpfully using her fingers to guide my cock up Kell's cunt. Soon I was fucking Kell with Elsa urging me on by pushing up and down on my ass to drive me deeper and faster into Kell's red-rose speedway. So I began by pounding my piston into Elsa, then some sensuous slow-grinding into Kell, and soon back to hammering away at Elsa again. So the sequence went like this: First, the Stranger. Second, the Ol' Lady. Third, back on the Stranger again, this time 'til the one-eyed snake pulled his prize.

I was inside Elsa for the second time (now face-down, doggie-style) that I realized I faced a dilemma: which hot babe should I dump my load upon? Why, the one I don't usually get to fuck, of course! Kell kept increasing the pace and intensity of my thrusting into Elsa's upturned twat. I knew my pelvic frenzy would soon achieve critical mass, finally bringing my cock to crisis. I chose my moment, pulled out, and fire-hosed jism all over Elsa's lips and face. With a groan from down in my groin, I watched it dribble in slo-mo, from her chin down onto her gorgeous C-cups. My poor penis had taken an awful lot of flouting, by not just one femptress, but a pair of them. So the eventual explosion zipped through my nervous system far more ferocious than your basic Saturday-night rookie session, know what I mean?

Oh sure, my girlfriend probably would've preferred if I'd, uh, saved the last dance for her. Fortunately, Kell-girl had moved over to another part of the big bed, where she was friggin' her clit in appreciation during my big sperm-spewing finale. The three-part harmony of our orgasmic howls at that amazing moment when our trio all got our jollies together, well that must've been something to hear. Kell and I are in total agreement: we really must do this again sometime. Until then, better send me two of those CHERI T-shirts for this letter. I don't have those gals fighting over just one of 'em!

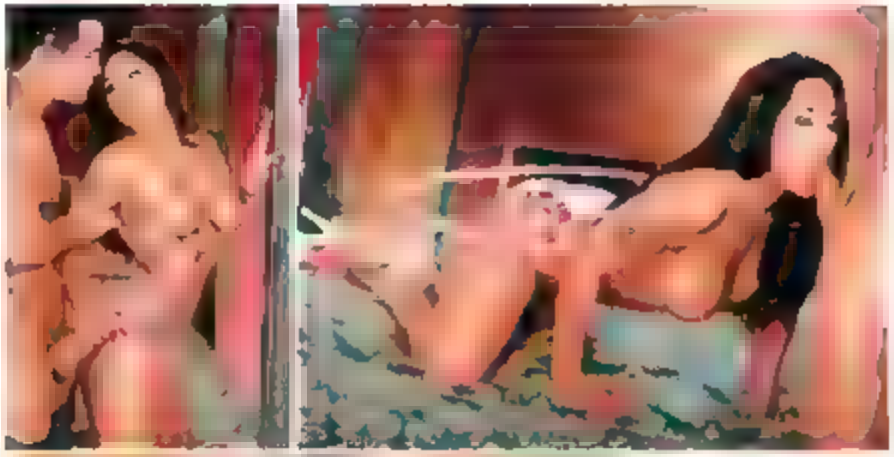
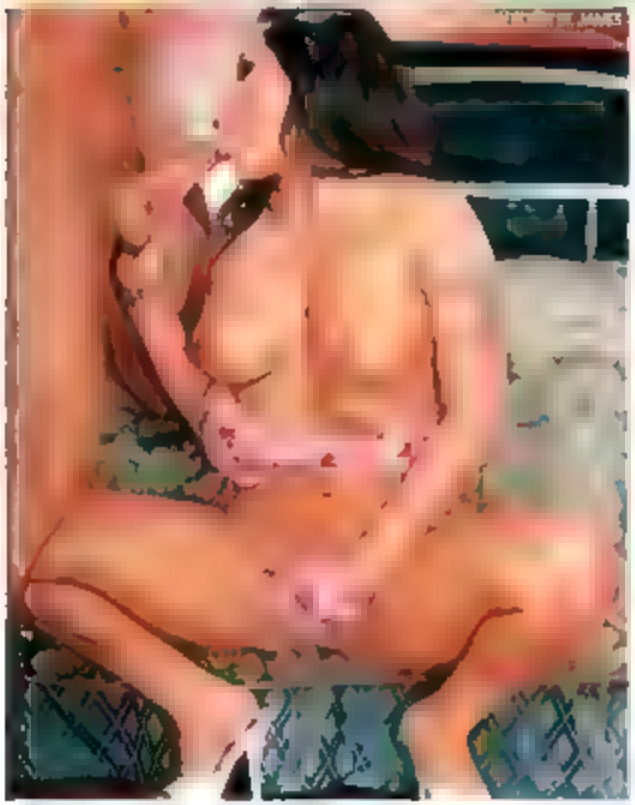
JENAVEVE
boning time





I didn't been waiting a long time to fuck Jenevieve Jolie but she's got her reasons for playing hard to get. Jenevieve theorizes that the horner the guy is, the better the fuck she will get. Who are we to argue with hot chick logic? Besides, Jenevieve's waited long enough—she's super-horny, too—so she frees Talon's boner from the confines of his jeans and shoves his bloated meat in her wet snatch. Talon pins Jenevieve's knees up by her ears and starts hammering away. Jenevieve squirts a gooey load of twat sauce all over Talon's balls when she cums. Talon's thinking of noodles and dirty toilet bowls—anything gross that will help delay his orgasm with this smokin' hot babe. But it's too late. Even the mental image of Ron Jeremy in a dress is not enough to counteract the steamy hotness of Jenevieve. Talon pulls out and blasts his spunk on Jenevieve's pretty face. Jenevieve's happy because she got the hard fucking she craved. Talon's happy because he finally got to empty his backed-up ball sack. We're still scared from the whole Ron Jeremy in drag thing. •

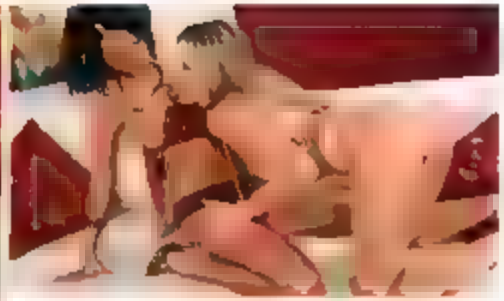
CHERRY
& ANETA
CHERI.com 37



Aneta Keys is one of Europe's hottest porn stars. Her biggest fan, Cherry Jul, meets up with her idol at an autograph signing, and her pussy starts to drip. Aneta's "gaydar" goes into overdrive, and she senses Cherry's strings are loosing well. "Come home with me and help me with my new outfit," Aneta says and Cherry goes along. Back at her apartment, Aneta emerges from the bedroom wearing only a strap-on. "Strip," Aneta says. "It's time to fuck." Cherry wastes no time, getting naked and bending over to Aneta can fill her holes with rubber phallus. They take turns, and before long Cherry is wearing the strap-on and banging Aneta to a series of screaming orgasms. "You are a good fuck," Aneta tells her. "You should do movies." We agree, Aneta—Cherry Jul has all the makings of Europe's next big porn star. We also think you should audition the CHER staff for your next film, Aneta—just to see what kind of fucks we are. •

KENDALL BROOKS

lean fuck machine!

Interview by Renee Preator

Pore Valley, CA—After a very brief time in the adult industry, Kendall Brooks hit the porn gold mine, becoming one of Club Jenna's exclusive, contract hotties. Just take a look and a jerk of this amazing, athletically-stacked babe, and you can figure out why Kendall was recruited and courted by the powerhouse biz factory! This girl loves eating pussy, sucking cock, threesomes, and, jerking off, looking hot, and sports, making Kendall the perfect girlfriend, or fuck buddy if you're lucky. We're definitely lucky to have Kendall—for this CHERI layout—and we're all lucky to be rubbing one out to this blonde bombshell in the cumming year. Her first Club Jenna jack-off flicks are sure to be "breakout" sellers, causing loads upon loads of splunk to be shot from boners of full bonage at maximum speed. Uh, excuse us while we relieve ourselves.

First off, congratulations! How does it feel to be the new Club Jenna contract girl?
It feels very good. They are the company I wanted to involve myself with when I got into the adult industry. It also feels tremendous to work for such a large, glamorous and respected company as well. They've been great to me so far.

Are you at liberty to say what other companies were eager to sign you?
No. I don't think so.

Did you put other companies against each other to get what you wanted?
Yes, I did that (Laughs). I had several companies bidding for me. I got exactly what I wanted in line and I'm happy and wouldn't change a thing. The monetary gain and the prestige of the company are all lovelyness.

What did you do before porn?
I was a talent model and a lingerie model. You can say that I'm in the porn industry pretty hard by doing boy/girl scenes right off the bat. I didn't want to waste time doing just girl/girl. I figured if I'm committing myself to porn I'm going to do it all the way, excluding gang bangs. I just say no to gang bangs!

zinio Library Read Search

How many scenes have you performed in your career so far?
I believe 20. I didn't do that much work because I was going into contract negotiations very quickly in the beginning of my career. I did get the opportunity to perform in a few gonzo scenes that were very hot!

Do you remember details from the hottest scene you've been in so far?
I always have amazing sex with Johnny Sins. We work very well together. The first time I saw him on set I thought he was hot. I flirted with him and teased him before our first scene together. We tore each other up. Now we request each other all the time. I love bald men with muscles.

Who is your favorite male performer to work with?
My obscure favorite is Julian. That guy is so sexy. He's sexually commanding and thoroughly enjoys having sex, at least with me. I think our sexual chemistry is impossible to ignore in our scenes. Without a doubt, he has the bigger dick I've ever had the pleasure of fucking.

I've watched porn since I was a teen. I'd sneak it into the house and watch it all day. I'm a complete voyeuristic slut.

Who is your favorite female performer to work with?
Brooke Belle. I adore big boobs and lean muscles. I love my look and prefer girls who look like me actually. I do prefer brunettes to blondes but when Brooke and I have sex, it's magic!

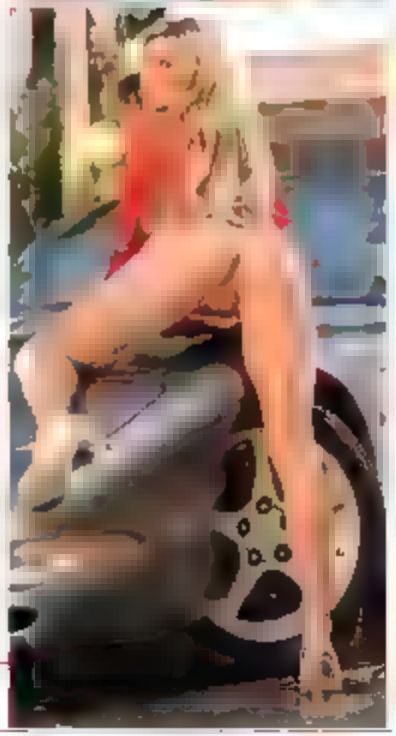
Who are you dying to work with that you haven't had the opportunity to work with yet?
I'm such a lucky girl. So far I've fucked every performer I've requested. I get a hold of Julian, Brooke Belle, Johnny Sins, Justice Young, TJ Cummings and Alex Strong a few times each. I fucked them all hard and I fucked them well.

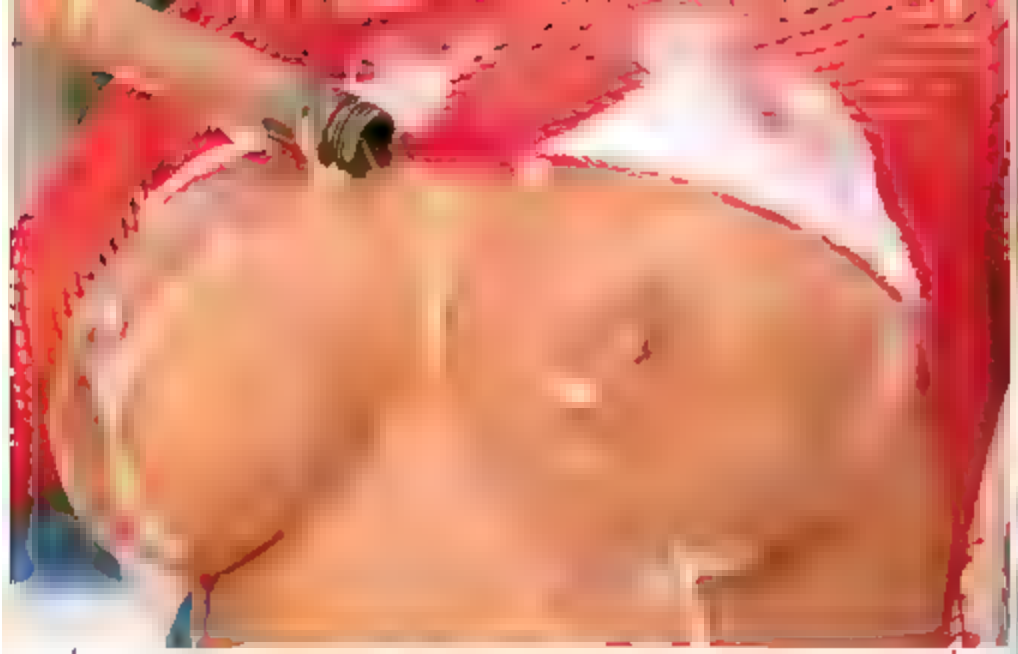
Were you always interested in porn?
Yeah. I've watched porn since I was a teen. I'd sneak it into the house and watch it all day. I'm a complete voyeuristic slut. I love watching people fuck and get fucked. I rather watch others getting fucked than be fucked myself. If I go out and hook up with a couple I'll get off more by watching them fuck each other in front of me. I'm really a skin fucker.

Do you like to masturbate?
I masturbate every day in the shower. I also make sure to get off in my scenes too, or else why do it? The best way for me to masturbate though is in a hot bath. I use my fingers and let the warm water fizzle my pussy. I don't get off with toys. I prefer skin on skin contact.

[redacted]

My mind always goes to the sight of a hot girl eating out my pussy while a guy fucks her doggie style from behind. Consequently, that's also my favorite sexual scenario to watch.





Honestly I've never made love in my life. I just get fucked and I am a fucker. I laugh when guys try to 'make love' to me.

Do you like to role-play or play dress-up during sex?

I always wear sexy lingerie but I don't get into character. That doesn't really get me going as much as it makes me laugh. I really get off on sexual tension. My favorite type of sex to get involved in is seducing a hot guy at a bar and wanting to rip his clothes off then and there. Yeah, that's enough to get me hot!

Does size matter? How do you prefer your cocks?

No. I prefer girth to length. I'm a rough one in the bedroom and want to be pounded not hurt. Girth stuffs me up good, while length might get a little too uncomfortable. If I was into "making love" I'd prefer a long cock, but honestly I've never made love in my life. I just get fucked and I am a fucker. I laugh when guys try to "make love" to me. I say, "What the fuck are you doing?" If they try to light a candle, I blow it out.

Are you wilder on or off screen?

I think I'm wilder off screen because I don't have to worry about opening up for the camera and fucking for the lens. When I fuck at home I can just let myself go completely and get carried away. Don't get me wrong, I'm freaky either way and will always make the time to get in tons of dirty talk.

Are you into group sex? What do the male people you've been with at one time?

I'm not really into group sex, although I have been involved in three-ways. I prefer one on one contact. I like to give all of my attention to one lucky person.

Do you have any special tattoos? Do they have special [redacted]

I have a tattoo of my lips on my ass. Simply put it means, "Kiss My Ass!" I don't give a shit what people think about me. People like to judge. I'm not into that.

What do you think you're best at sexually?

Blow jobs. I'm known for having the biggest mouth in the industry. I can wrap my lips around any cock, no matter how large. I have an Oreo mouth, like a fucking whole. I do have a gag reflex though, so during deep-throats I have to take my time and suck it down slow, but hey,

I'm known for having the hugest mouth in the industry. I can wrap my lips around any cock, no matter how large.

that's not necessarily a bad thing, right? also use a ton of spit. I've been told I have excellent technique.

What do you consider to be your best feature?
I'd have to say my long, lean legs although others might argue it's my great tits or full lips. I'm only 5'5" but I appear to be much taller due to my long legs.

Describe the perfect date.
Well, I'm definitely not into romance and am a total sports fanatic. Football is my absolute favorite. With all of that considered, the perfect date would include dinner, a ball game and drinks at the local bar. Low key and casual is totally my style.

How do you warm up before a scene?
I keep away from the guy. I hide out in the make-up room or in my dressing room until it's time to fuck. The anticipation and the look on his face when he finally sees me is priceless. Game on!

Have you ever squirted on or off camera?
Justice Young made me squirt once. He hit my pussy the right way and it started to dribble. I was so excited because I didn't think I was capable of doing that. It was so cool. They had to remind me that the camera was still rolling though. I was thrilled and momentarily out of character. It was worth it.

Will you ever do oral sex with boys on screen?
Yes, I love oral sex in my personal life if the cock is small. We start performing oral sex scenes on camera in about a year. I don't want to show you everything I can do all in one shot.

What do you like to do for fun?
Aside from watching sports I enjoy going to the gym a lot. I have a hot male trainer to help motivate my workout fun. I could never have a female trainer, because usually my body looks better than theirs, so there is no motivation. I like a big, muscular man pushing me and showing me what to do. Other than that I enjoy going out to dinners and hanging out with my girlfriends.

Are you a feature dancer?
I'm training to feature dance now. I want to build my name and my fan base. I'm excited. It's going to be a lot of fun.

Do you have any future projects you'd like to share?
One of my new movies for Club Jenna is reality based porn that showcases my real personality, and was shot in Miami. The cast and crew went out clubbing and picked up random girls at bars then took them back to the hotel to have sex. It was a sweet deal and a hot movie. Reality-based porn is more genuine and fun for me. Other than that, I've been laying low for awhile while my contract goes through, but will start to get very busy very soon. I'm also involved in many philanthropic projects. I'm a busy girl.

How can fans find out more about you?
www.myspace.com/kendallbrooksperformer. My fans can email me through my MySpace account. I always respond to all of my fans. I love them. I also have a fan address, which is:

Kendall Brooks Fan Club
10200 Mason Ave.

PLATINUM X PICTURES' MOMMY FUCKS BEST #3

REAL MILFS KNOW WHAT YOU NEED!

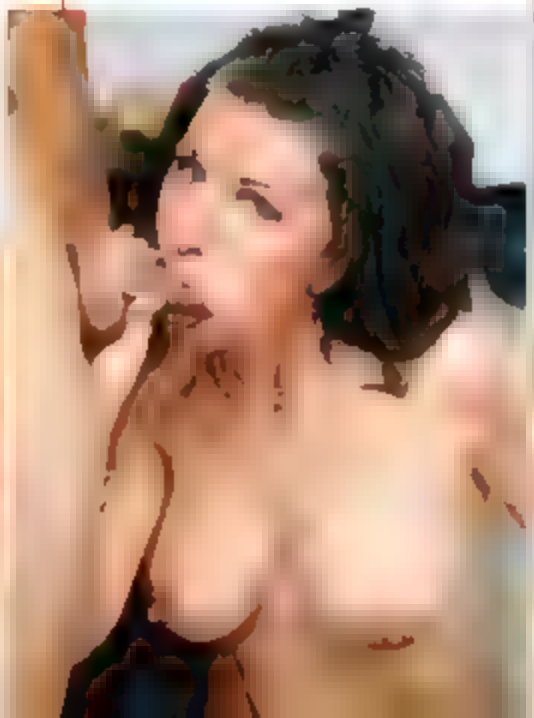
There's something creepy about the *MommyFucksBest* video series. Hey, we may all be motherfuckers at heart, but nobody really wants to fuck their mommy, do they? You don't want to think about your mom fucking anybody, ever, not even your Dad. It's wrong on so many levels. But you'd like to fuck somebody else's mommy. Yeah, your buddy's mom is hot. And that older cashier at the bank looks like she could suck the chrome off a trailer hitch. Yes, there are certainly some mothers you'd just love to fuck.

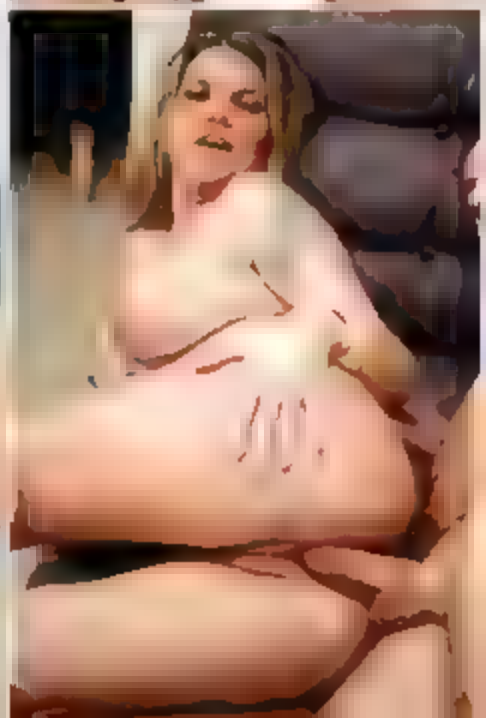
Welcome to the wonderful world of MILFs, where horny older women are showered with the sexual worship—and bodily fluids—usually reserved for their younger counterparts. It's a world that Platinum X director Francesca Le knows too well. Francesca was one of the hottest sexual performers of the 1990s; today's she's one of the hottest MILF actress/directors in the industry.

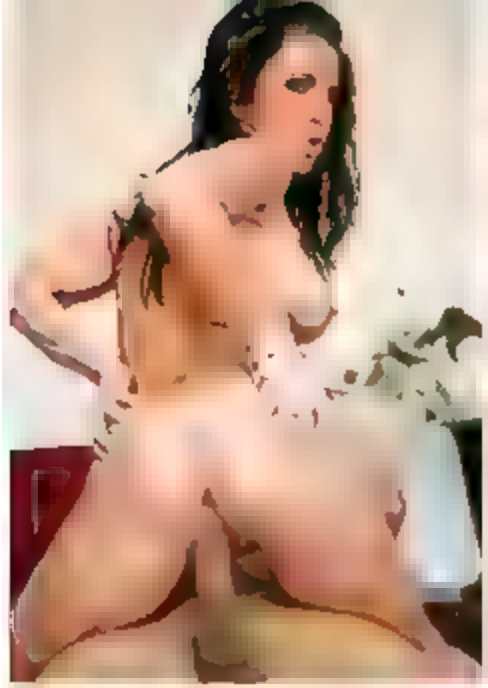
You'd think that Ms. Le would bring a softer, more feminine eye to the MILF genre, but she doesn't. She shoots like a man, with a raw, aggressive, in-your-face style. As a result, Francesca Le's films are some of the hottest on the market. Platinum X *Mommy Fucks Best 3* is no exception.

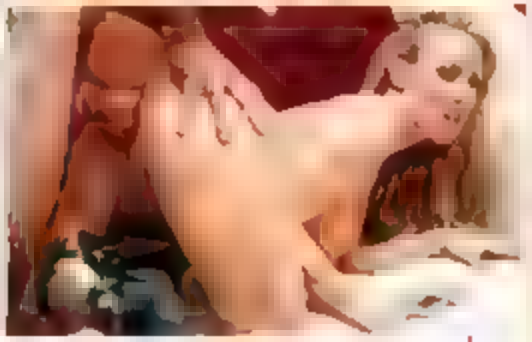
This five-scene scorcher opens with curly MILF Adriana Deville. Adriana is a brunette with reddish highlights who has tiny tights, compact titties, a teenager, and the stamp of a convicted sex offender. She rows Talon's rod like a champion pronto puller. Talon responds by busting his nut all over her face.

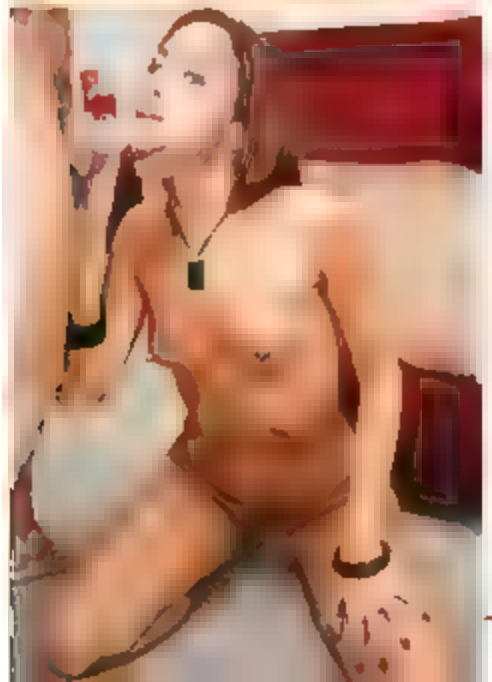
Carolyn Reese is a buxom blonde who fills out her purple satin pro and pomes nicely. If only all MILFs could have big, soft squishy funbags like Carolyn's. Ms. Reese gaps and fingers herself until Steven Rennor shows up to lick her boobs and stuff her snowed twat with man-meat. It all works out nicely in the end with Steve picking a copious load on Carolyn's heavy hangers.











Cheyenne Hunter may be over 40, but she wears it like a coquettish girl half her age, strutting around in a pale pink leotard and thigh-high stockings. It works for Steven French, who again has the honor of plowing her MILF holes. This time Cheyenne spreads the backdoor and lets Steven dip his French loaf into her finely-aged chute. It's a thoughtful gesture that she rewards with a healthy blast of spunk.

Newcomer girl Kayla Quinn is a lithesome, petite and curvy MILF from Kentucky who has ridden a lot of dicks in her life, and shows no sign of slowing. Alec Knight is Kayla's latest sperm, cock and balls donor as he pulls his meat into her wet-n-willing snatch. Kayla may not be physically flawless but she brings to the table the best MILF qualities: she's experienced and genuinely loves getting fucked.

Kendra Secrets wears her C-section scar like a badge of MILF honor. But this yummy SoCal mommy needs some street cred to keep it real, yo. So when an urban hipster like D. Snoop stops by Kendra doesn't hesitate to whip out her freckled funbags, and offer her homeboy a taste. D. Snoop fries. D. Snoop fucks. D. Snoop blows a load. Kendra wallows happily in his salty seed. Word to your mother.

Overall, *Mommy Fucks Best #9* is an impressive collection of hairy MILFs captured at the height of their horniness. Mommy fucks best—you'd better believe it! You wouldn't be here if she didn't! ●

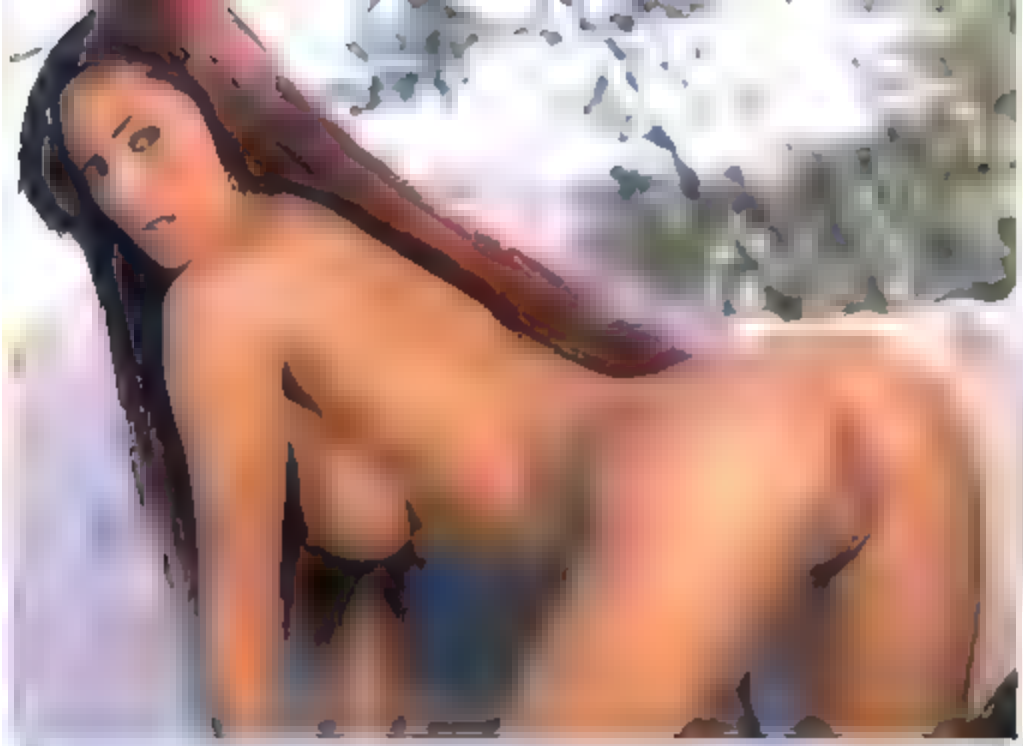
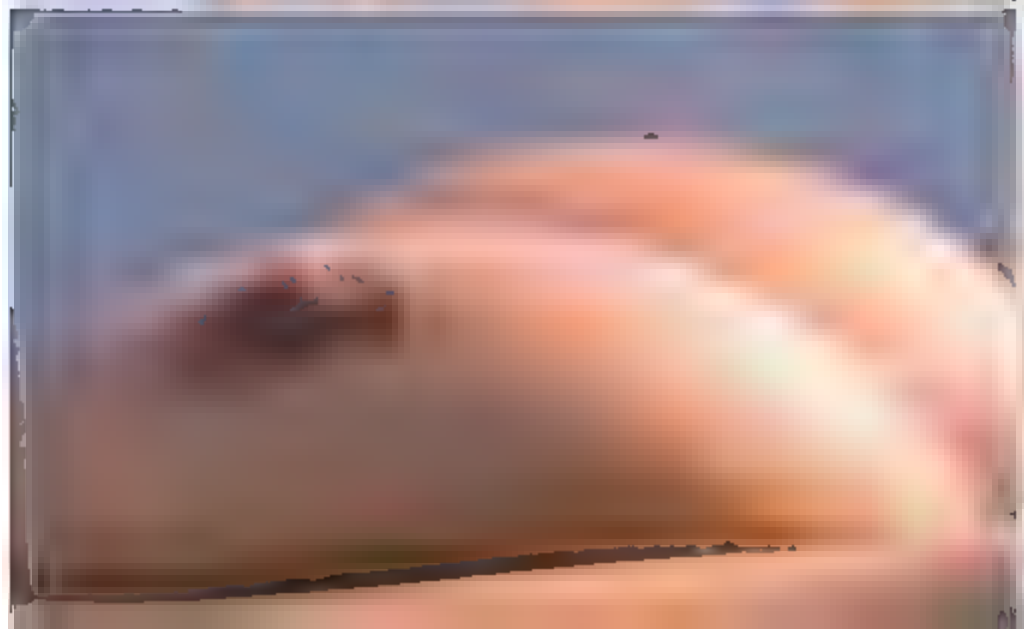
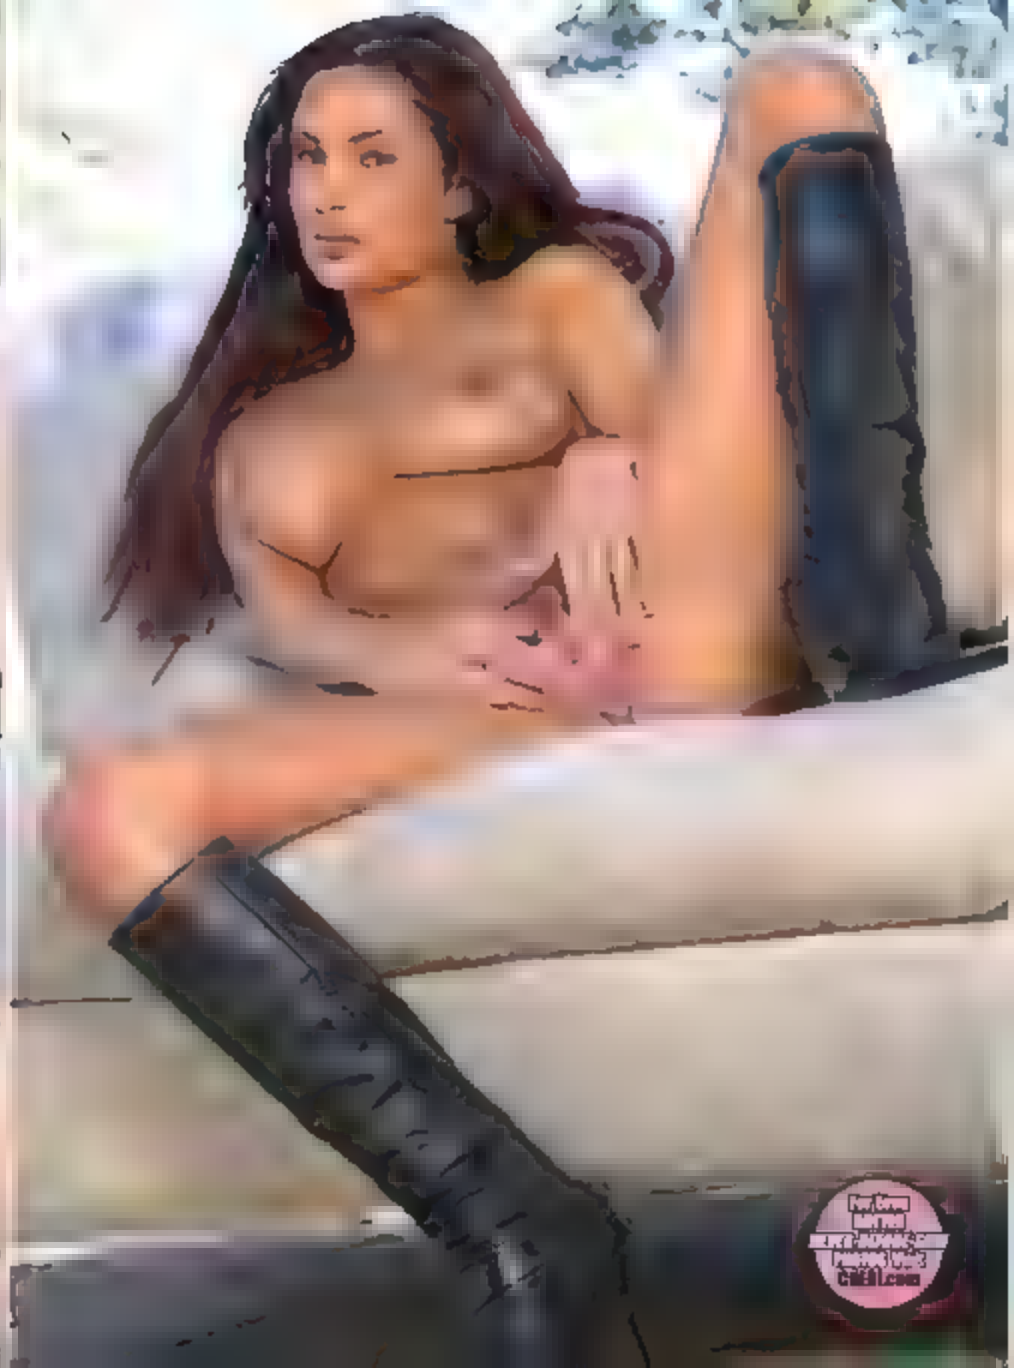
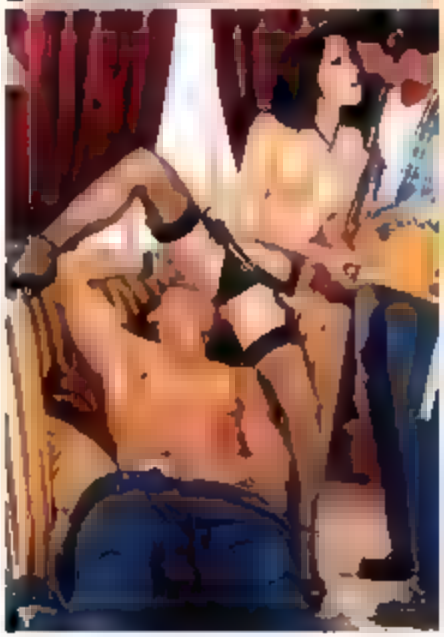
You know what makes Amy Reid horny? You. That's right, nothing makes Amy more excited than knowing there are men and women out there getting sexually aroused by her photographs and videos. It's enough to make Amy want to shed her parka and start playing with her massive boobs. It's enough to make her want to slip off her slinky thong and start finger-fucking her wet box. Amy loves it when her fans write her letters and emails describing—in lurid detail—how they want her sexually: men who want to bend her over and fuck her ass; closeted lesbos who want to bury their faces in her sweet snatch. Now Amy is really getting hot, rubbing her clit faster and faster. When she starts to tremble, it means she's thinking about something really hot and nasty, things we can't even mention. So feel free to write Amy a lewd letter or erotic email. Amy and her pussy will be very grateful.

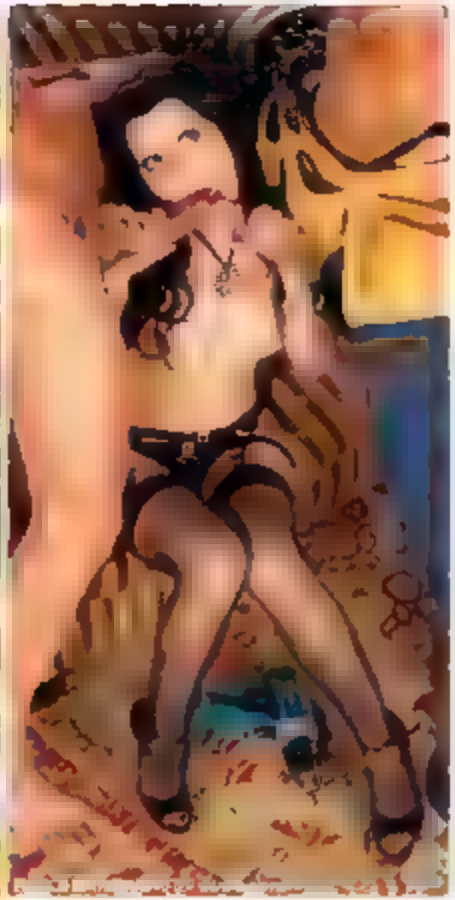






REBECA
ffed taco





Spanish porn star Rebeca Linares decides to surprise the construction workers next door with a little mid-day snack. Sure enough, Tommy and Marco are hungry for Rebeca's Spanish goodies. "I have a tasty, pink taco between my legs," says Rebeca in her cute Spanish accent. That's good, because the guys could go for taco, plus they've got the meat filling to spice things up. But the guys only have an hour for lunch and Rebeca has already spent a lot of time drooling and slobbering on their boners. Will they have time to plug her horny fuckhole? They will if they stuff her twat and ass at the same time. That's cool with Rebeca—she loves a nasty DP followed by a stink-dicked double fucka. The guys get back to work without missing a minute's pay, and Rebeca cleans up and hits the streets again. She hears there's a crew laying sewer pipe just down the road. ■

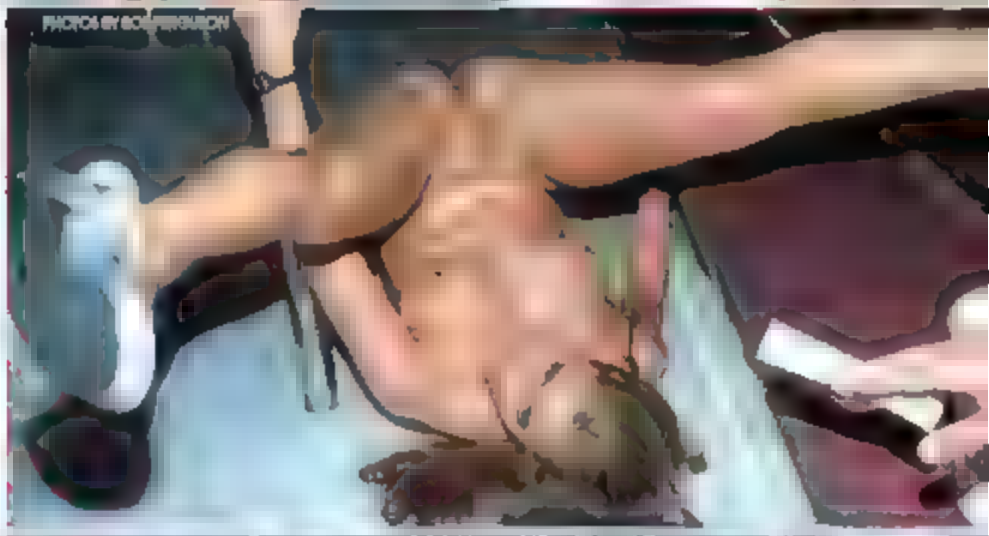
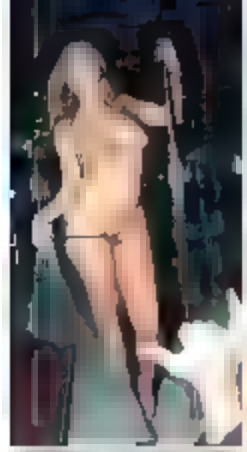
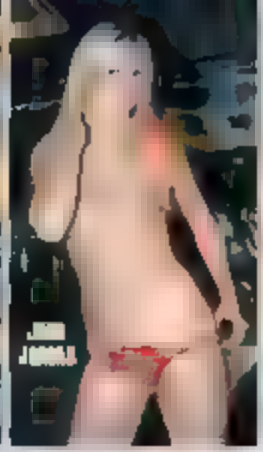
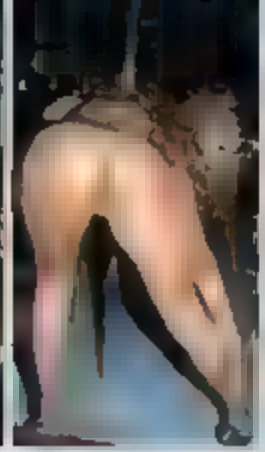
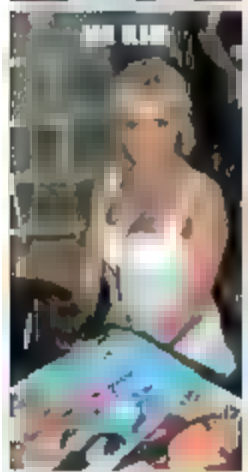
XXX PORN STARS CUM IN STYLE TO CELEBRATE THE 15TH ANNUAL NIGHTMOVES ADULT ENTERTAINMENT AWARDS

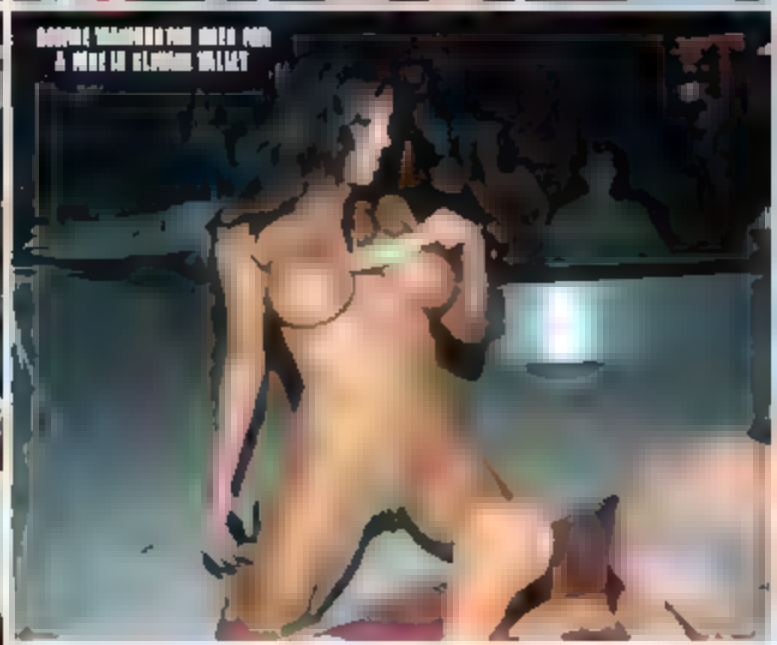


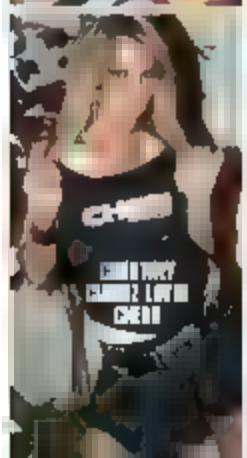






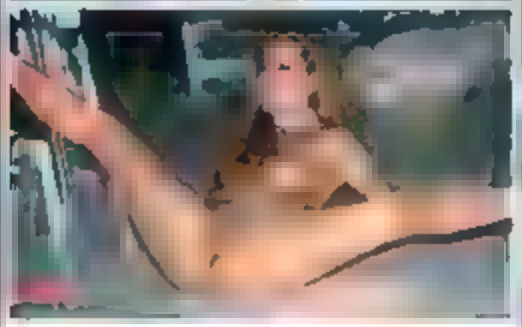


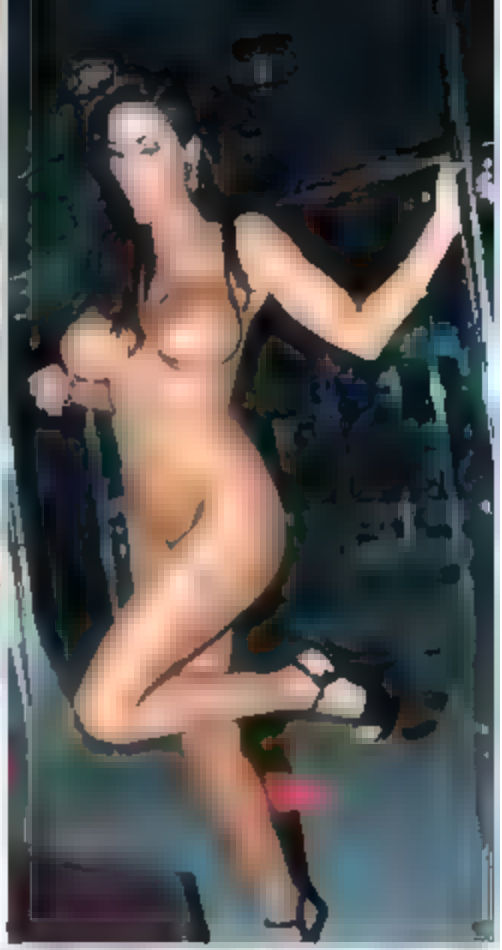




STARRY NIGHT

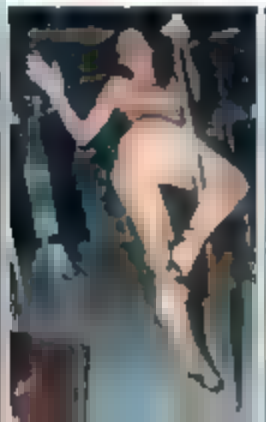
It's hard to believe that the NightMoves Adult Entertainment Awards recently celebrated its 15th annual awards show. It's certainly come a long way since its first show in 1992, which was held at Stingers Night Club in Tampa. This year, as in years past, the awards show included a star-studded cast of XXX babes. Over 50 of the hottest stars were in attendance in what industry icon Ron Jeremy called the "largest gathering of adult stars other than the AVNs." The list of luminaries in attendance included the likes of CHSH Entertainment Editor Jesse Jane, Stormy Daniels, Carmen Luvana, Eva Angelina, Kylie Ireland, Bi-Cross, and scores of others.

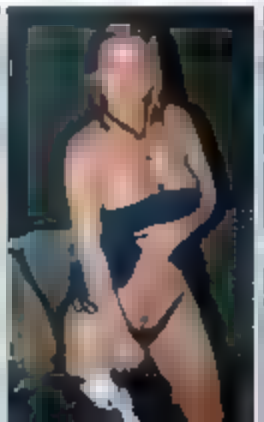


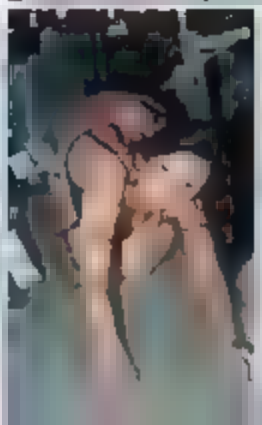


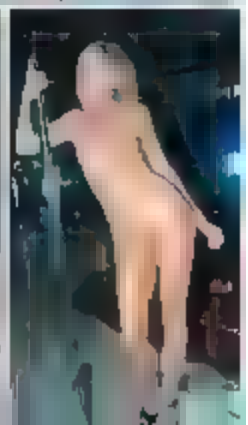
MEET & GREET

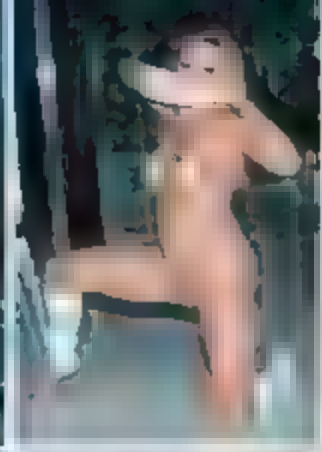
Unless you go to AVN in Las Vegas, or to the other, smaller adult shows in L.A., something like this just doesn't happen, especially on the East Coast. NightMoves gives you the chance to meet, greet and actually get up close and personal with the biggest names in porn: the culmination of the four-day event occurs Monday night, when the awards are handed out, and the porn stars are dressed in their slimmest and sluttiest attire.

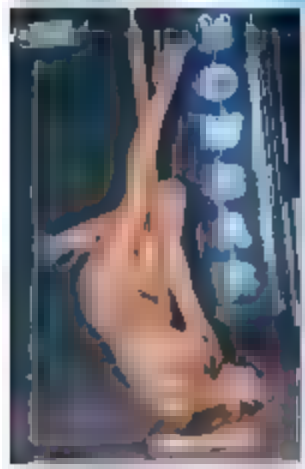


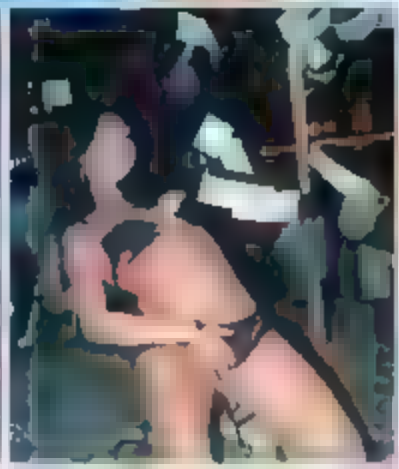


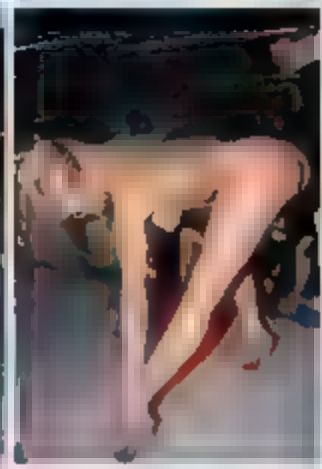


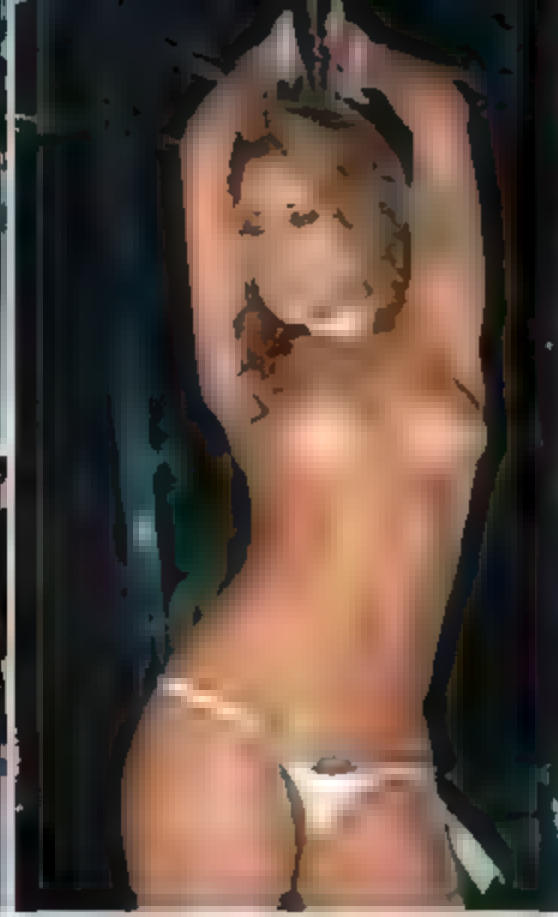












SHOW STOPPERS

The show began with a tribute to Metro Interactive publicist Pam Anderson, who passed away in September 2007. Between presentations, band Dive Bar Stalker performed while hot dancers gyrated to the beat. High-steppin' hotties included Vivian West, Christy Wild, Angela Ryan, Evelyn Rose, Lolita Lopez, Vinaz, Jezebel and Damian Davidson, as well as local girls Sunshine Adams, Gia and Envy from Bare Assets, and Tristan from Tampa Gold Club. This is exactly what an awards show should look like—plenty of eye candy to ogle over. So circle your calendar, make your plans, and make sure you join your favorite porn star next October for the 2008 NightMoves Awards Show. It's a party you won't want to miss!

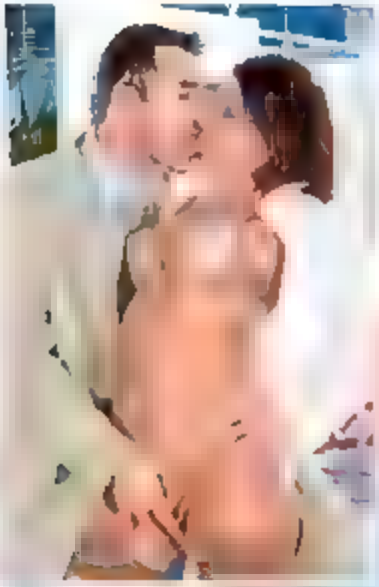
BRIGETTA



Bridgette sees James coming up the front walk and her pussy starts to drip. She starts to rub her clit but stops herself; James has forbidden her from touching herself, and he'll know if she has, he'll sniff her fingers and he'll know. He has ways of knowing. So she waits until he walks through the front door and she drops to her knees, pulling down his zipper and fishing out his cock. James doesn't object. He lets her stuff her face with dick. Then he says, "Turn around. Let's fuck." Bridgette runs and obediently spreads her holes. James slides his dick in her pussy, and a butt plug up her ass. He is not gentle, but Bridgette loves it. She loves him, even though after he ejaculates on her face he leaves quickly, before he's even fully dressed. But that's okay with Bridgette. He'll be back tomorrow. ■

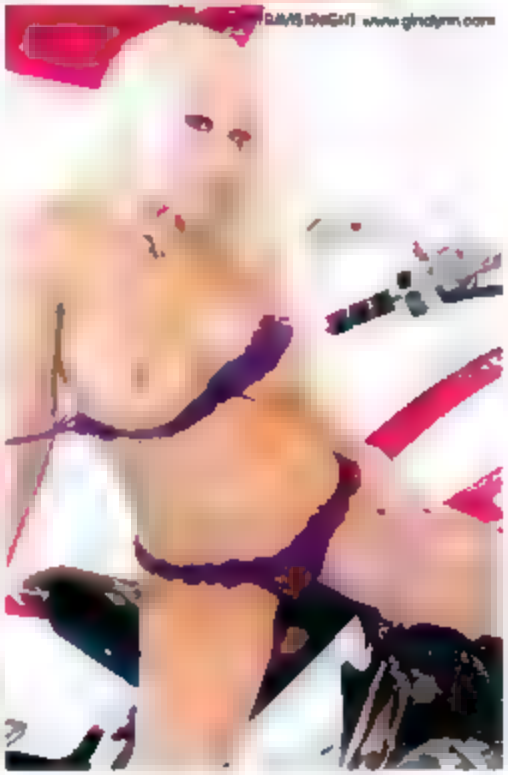
CHERI.com 163



DAVIS TONIGHT www.gindalynn.com

Gina Lynn is one of our favorite porn babes. Her long blonde hair, stacked body, and perfectly shaped Latina ass makes Gina the total package. She came by the CHEER offices the other day on her new motorcycle, a custom chopper with a radical paint job, and asked us if we wanted to ride her. Absolutely we said. We'll pound away at you, flip you around, make you cum a couple of times, and let you suck us off until our creamy loads are drenching that pretty face of yours. We're totally up for it. Just looking at this layout made our heads explode and we look at hot, naked chicks all the time. Damn, Gina, you can definitely make a bunch of horny porno editors hard, and make us rush to the bathroom to rub one out. So which do you want us to ride you, baby? "Uh, OK," says Gina. "That was pretty gross. I meant you guys could ride my bike, you perv!" Oh •

SHAY JORDAN SCREAM ★★★★★

(Digital Playground)

Starring: Shay Jordan, Hillary Scott, Audrey Bitoni, Clayton Caley

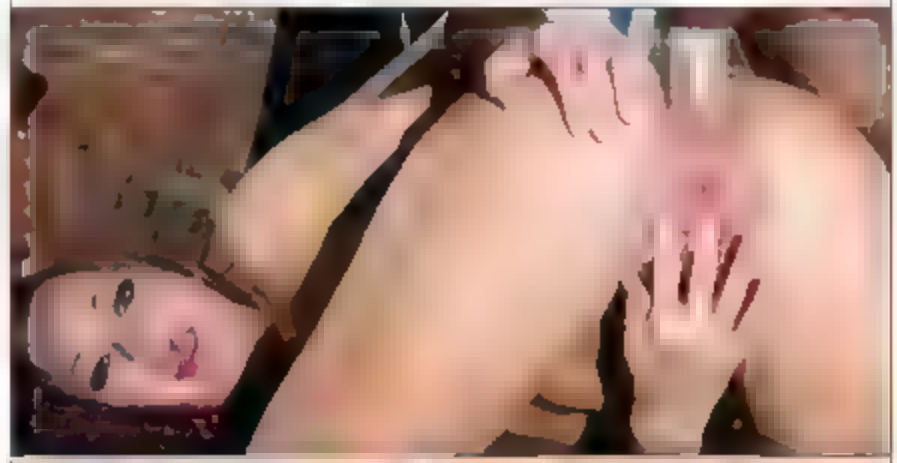
Sweet Shay Jordan (and we mean sweet as in her body and her juicy teen pussy) is all alone in the big house when she starts getting prank calls, and hearing weird shit going on. But no worries. It's just horny dudes who want to bang Shay. Who wouldn't? Plus, her luscious girlfriends are also hearing the sounds of cocks bursting out of jeans to pop these babes' tight cherries. Shay and Hillary Scott share some scary stories until Marco stops by and shows them his scary monster cock. Soon, Shay and Hillary are sharing spit and swapping cum like BFFs do. Ben gets annoyed listening to Clayton Caley's grumblings, so he puts an end to it by spanking Clayton like a little girl, and fucking the hell out of this perfectly sculpted babe. Bride Hillary Scott returns from the dead (uh, wasn't she just sucking on Shay's cunt just a few minutes ago) to experience her hubby's and reaming just one more time before he starts banging other chicks. Turns out Tommy Gunn is behind the pranks going on at Shay's place and has Shay suck him off before he fucks that glorious bushy twat of Shay's. Check this one out if your thing is babes freaking out and taking giant sharpe down their throats! *Rob P.*

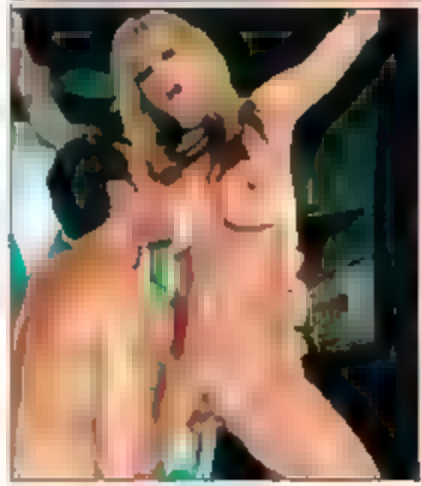
PIPEDREAMS ★★★★★

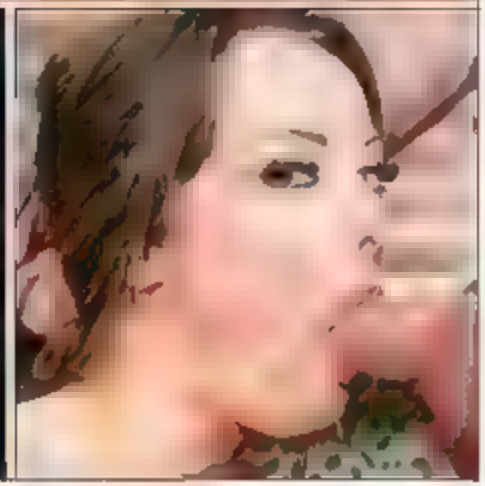
(Vivid Entertainment)

Starring: Janine, Austin Kincaid, Justine Joli, Melissa Lauren, Sofia Sandoval, Venus

Guys do anything to get pussy, and Manuel Ferrara is no different. He plays a plumber to the beautiful, who suddenly comes up with a surefire way to nail hot babes—he's going to write a script for a fake movie. Turns out the pussy he ends up boning is Janine, who's a great lay but has crack issues—normally, she tied up Manuel and threatens his life if he doesn't say he loves her. Woman and their emotions, huh guys. When are babes gonna realize everything guys say to them is all an act just to get between their legs? So Manuel ends up getting pussy with his fake ass script, and it even gets made. Anything is possible in porno-land. Along the way, he sees Melissa Lauren get fucked hard in the ass, nails Sofia Sandoval, ass fucks Venus, and bounts Janine again even after he realizes she's the one that needs to be locked up. Hey, how many of us haven't fucked a psycho bitch—that's pretty much all chicks in general. In honor of Janine's final Vivid sex flick, grab your pipe and unload a big sticky mess in the name of all psycho babes around the world! *Rob P.*







HOUSEWIFE 1 ON 1 ♦♦♦♦ (Naughty America)

Starring: Gina Lynn, Jennifer Dark, Claire Dames, Ava Devine, Nikki Benz, Sativa Rose.

I love stealing lines from films... can use when I'm getting drilled, and Housewife 1 On 1 has the great scenes filled with dirty talking nymphs. Sativa Rose and Nikki Benz start off this film of housewives sucking and fucking their husbands. They share the same cock as Nikki gets naughty, spitting on everything from mommies, her own tits, and Sativa's pussy. Jennifer Dark talks a little to much game but steps it up as we watch her tight cunt get banged. Next we have Ava Devine who's got to have the best lips for sucking dick! She does the best job orally and verbally - hook the mom notes watching her! Gina Lynn takes a good hammering, and we get great views of her amazing body. Claire Dames wraps up the film and works a leather couch, and a meaty cock. Her titties bounce and her ass gets slapped until it's nice and red. Only thing this film is missing is some butt-ramming, however you'll get overall with this point of view flick that's got a monogamy feel that can help you get your any bread into loving porn. If you're into watching hot babes who love to suck cock and talk nasty, you'll definitely rub a few out.

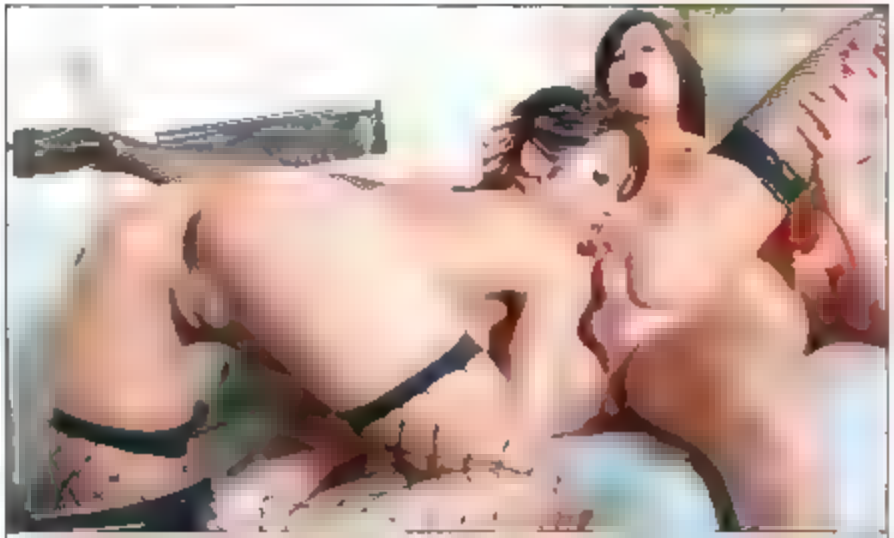
THE V WORD ♦♦♦♦ (Sinaction)

Starring: Jenevere Jolie, August, Francesca Valentina, Katja Kassin, Aubrey Adams, Kelly Kline, Brooke Haven, Nyomi Marcella, Mikayla, Gianna Lynn.

Want hot girl-on-girl action, ass slapping and tons of cunt juice dripping in hot babe's faces? You've found it in The V Word! Five hot scenes start with August and Kelly Kline going at it in a huge bath full of bubbles that gets nice and sticky as they finger fuck and suck each other. Yeah! We loved watching Brooke Haven and Francesca Valentina being naughty, and sucking on each other's pussy flaps, followed by strapping one on and fucking each other. Jenifer slut rubbed my clit off a few times when German slut Katja shows Aubrey how to please her sloppy wet snatch. Katja bangs Aubrey hard, but Katja gets a surprise when Aubrey rams her face in her ass, and follows it up with shoving Katja's cunt full of a nine-inch dildo! Vixens Mikayla and Nyomi waste no time and get straight to plugging each other's juicy brown muffs. Just when you think you've seen it all, Jenevere and Gianna rip each other's clothes off and dive into wet cunt. Watching and hearing them made me feel like a dirty whore and... loved it! These babes made me cream my panties over and over. The V Word's sure to please.

Blanca L.



NEED FOR SEED ★★★★ (Diabolic)

Starring: Alexis Texas, Annette Schwarz, Tabatha Tucker, Trinity Post, Marina Moe, Ricki White, Reena Sky

These babes not only have a need for seed, they also have a craving for rock hard thick cocks. You get all different kinds of slutty chicks included in this gem from Diabolic. Big booty white girl Alexis Texas shakes her thick ass until Mark Davis comes in from behind and pounds away at her tight fuckholes. Skinny fuck stick Ricki White is all skin and bones, and gets her ass boned by a massive shlong. That was a real thick one going in and out of her. John Strong has no trouble pounding away at tight newbies Tabatha Tucker and Marina Moe. John, share some of the teen pussy with your friends at CHERI! Trinity Post definitely has no trouble taking two big fuck sticks in her holes at the same time. Talk about needing seed—this babe needs beef! All awesome girls, awesome stuff. Your head will explode with loads of hot jizz! Rob R

JAILBAIT 4 ★★★ (Jules Jordan/Erik Everhard Entertainment)

Starring: Kylee Reese, Aubrey Addams, Nikki Kane, Riley Winter, Brianna Love, Tyler Stevens, Hannah West

We expect impressionable, gullible teens to have their tight pussies reamed and cases to be filled to the rim in a jerker called Jailbait. Tons of cutes showing off their bee stung chests and their lack of cock sucking skills while looking pretty until they get a face blast of hot cum. Aubrey and Kylee get bored by their impromptu lesbo tryst so they decide to spread their pink for Mr. Pete and Erik Everhard's throbbing boners. Brianna Love's big bubble butt causes her bike to get a flat, but thankfully a couple of old farts come along to fix her bike, and then fix her up really good. Whore in training Hannah West gets her wet teen fuckholes stuffed after Mr. Pete slips her a freebie. That should teach all teen sluts not to take candy from strangers. There's the usual black cock craving cheerleader, and the horny girl scout who wants to give away her cookies, and more of the usual teen sex scenarios. Jerk to it if you're a fan of the series, otherwise spank it to something else. Rob R

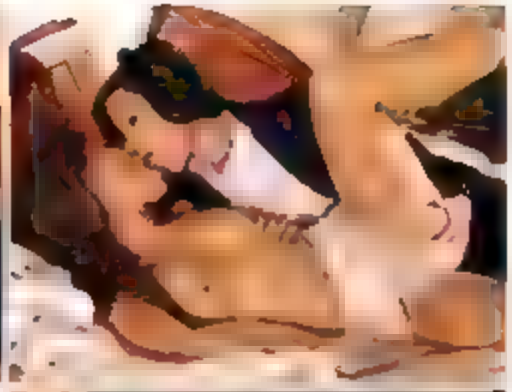
HANNAH & NELLY
white collar dykes



It's been a long day. Nelly's bitch boss made her stand by the copy machine all day long, making copies of driver's licenses and passports for some stupid government record-keeping inspection. And Hannah got groped by some smelly homeless pervert who kept grinding against her on the subway train. It's enough to make a girl cry. But they're both glad to be back home, in each other's arms and between each other's legs. The tension of the day drifts away with each little off nibble, with every deftly inserted finger. Nelly and Hannah lick and moan and grunt and sweat and cum, cum, cum until they pass out. They awake to a new day, another long one, for sure. But tonight is not so far away. ◆
